Hey everybody!  
The hardcover version of **BLOOD MEMORY SOCIETY** is now widely available. We are trying our best to support independent bookstores, so please, first ask for it at your local bookstore. If they aren't carrying it, they can order it for you. If online is a must, you can buy it from Amazon, Barnes & Noble, Indie-Bound, Books-A-Million, and many other online retailers.

There is nothing like the support of friends

I would like to give a sincere thanks to my friends at **Salt Life Food Shack** in Jacksonville Beach. The food and drinks were amazing, especially the Blood Memory Crafted Cocktail.

*It's been a very exciting September with more interest in my novel than I even imagined and October is shaping up to be similar!*

## Book Launch

Thank you to all who came out to our launch celebration event on Sept. 23<sup>rd</sup>. It was an incredible turnout. I was humbled by family, friends, patients and others who came. Our bookseller, The **BookMark** of Neptune beach ran out of books! She took orders and I went over there this past week to personalize those copies. So, if you haven't received your copy from the book launch party, they are at The BookMark now.

You can keep up with me on social media and through my website [www.dafield.com](http://www.dafield.com)

Mike Richardson - first customer!

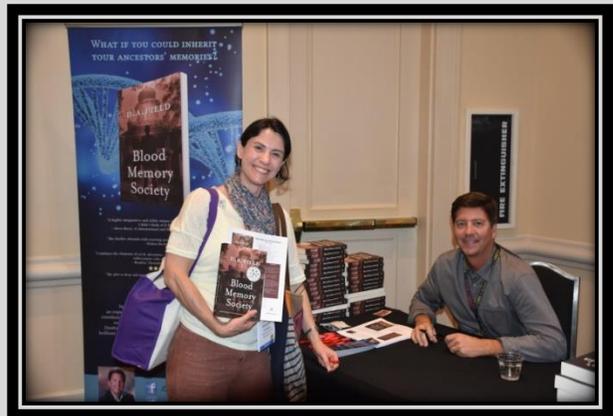

I am being showered with heart-warming feedback from readers who love the book. This is music to my ears. Thank you all for submitting your comments on Goodreads and Amazon reviews. I love hearing from you.

We have had a slight issue with your posts getting uploaded by Amazon though. I have heard this from many of you. Amazon can be difficult to get in touch with but be persistent. If your post was accepted then please follow up to make sure they posted it. Make sure your opinion of **BLOOD MEMORY SOCIETY** and your voice can be heard.

## SIBA Success

Earlier in September my publisher and I were at the Southern Independent Booksellers Alliance (SIBA). It was an honor to be selected to be part of the Thriller Panel. The panel was expertly moderated by Stephanie Crowe of Page & Palette Books in Fairhope, AL. I was proud to share the discussion with such a distinguished panel of bestselling authors-- Michael Rubin (*Cashed Out*), Brigadier General, Anthon Tata (*Direct Fire*) and A.J. Finn (*Woman in the Window*). The reception of the audience and attendees for my book felt amazing.

I'm now on a fun book tour that is taking me to many of my old haunts and several new ones. Please check my website as more appearances are being added daily. Hopefully, the Blood Memory Train will stop close to you!

**I hope to see you at one of these locations.—D.A. Field**
